

## **MEMBER PRIVACY POLICY**

As a STSG Member we use your personal details to enable the Group Network to be available for the benefit of all members. That includes us contacting you by email, post or telephone regarding your membership subscription, membership benefits, or to provide you with relevant information in line with our aims and objectives (including occasional messages provided by our sponsors).

Other members may also contact you. It is a condition of membership that the Member Directory is regarded as confidential.

We do not share your details with anyone outside of the STSG/ABTT, except in very specific circumstances such as the conference, where your permission to share some personal information with our sponsors will be given through the booking process.

We retain your personal information for as long as you are a STSG member, and for a period of up to 12 months after your membership ends. You have the right to ask for this information to be permanently deleted with immediate effect.

Full details can be found in Section 9 of our Constitution. If you have any further queries or concerns, please get in touch.
